Dear Friend:

We are pleased to announce the **Eighth Annual Davy Luna-Zach Stalls Memorial Golf Event** benefiting **Phoenix Children's Hospital**. This year's event will be held on November 13, 2010 at Wigwam Golf Club, 451 N. Old Litchfield Park Rd, Litchfield, Arizona 85340. We will be using two courses, Blue and Gold, for a total of 288 golfers. Registration will start early in order to fill both courses. The gold course will be filled first, then the blue course. Over the past 7 years, our tournament has raised more than \$220,000. Sponsoring this tournament gives you the opportunity to join the friends and families of both Davy and Zach in keeping their memories alive.

The organizers of this event have again chosen Phoenix Children's Hospital as beneficiary because of the vital services they provide: the critical care of our most valuable resource, our children. As a non-profit hospital, Phoenix Children's depends greatly on community support and all contributions are greatly appreciated. Davy and Zach will always be remembered by those who knew and loved them, and because of your support, their memories will live on in such a way as to help countless other children live happy, healthy lives.

Please complete the enclosed sponsorship form and return with your tax deductible donation by October 15, 2010. You can also find the registration and sponsorship forms at the above listed website. Should you have any questions regarding the tournament, feel free to contact Dave Yanez at 623-695-2864. Thank you, in advance, for your support.

Sincerely,

Dave Yanez, Tournament Coordinator
